

Lodge Waikato 475

OF FREE AND ACCEPTED FREEMASONS

FEBRUARY 2022

Our Editor WBro Graham Hallam is not well at the moments. Nothing to be extremely worried about but his medication is taking him to new “highs” and in a state that he is unable to prepare the Plumline.

So a reduced version of the Plumline for this month.

Lets all hope that he will be all better real soon.

Greetings Brethren,

Brethren,

I hope you all enjoyed the Regular Meeting on the 9th December. I certainly did thanks to a group of Brethren who went all out to get things correct, they came to multiple extra practises on short notice. I think we can be proud that our first ceremony since June went well. I hope that all who did take part in the Ceremony had a good feeling as well.

A warm Welcome to our Lodge for Brother Namuag, we hope that you may have many years of enjoyable Freemasonry ahead of you.

And as one Brother joins our Lodge, another Brother is leaving us as he is transferred to North Shore Hospital in Auckland. We wish you well Brother Smith and hope to be present at your 2nd or 3rd Degree. We also wish you well in your career.

A major goal for 2022. As Freemasons we must stand above division and intolerance and have understanding and tolerance for each other's opinions. We must stand above dividing Freemasonry into groups.

The goal I have set for our Lodge is that we create an environment where each and every Brother who is a member of our Lodge can attend in perfect harmony. The November Regular meeting came up with great solutions which hopefully we can implement at our next meeting.

We cannot meet in January as per Grand Lodge directive but lets hope that March will bring a step forward towards normality.

So while we are all enjoying the sun and getting used to the good life please prepare for some busy months coming up once we get permission to resume labour.

Andre
